Probabilistic Modeling

Nick DeRobertis

September 30, 2020

1 Introduction to Probabilistic Modeling

2 Math Review for Probabilistic Modeling

3 Introduction to Scenario Analysis

4 Scenario Analysis in Excel

5 Scenario Analysis in Python

6 Introduction to Internal Randomness

7 Intro to Randomness in Excel

8 Intro to Randomness in Python

9 Discrete Randomness

10 Adding Internal Randomness to an Excel Model

11 Adding Internal Randomness to a Python Model

12 Internal Randomness Lab Exercises Overview
